## Big Brothers Teen Mentoring Program

**Big Brothers**  
OF GREATER VANCOUVER

The Teen Mentoring program provides children in grades 1-7 with a Teen Mentor (from the local High school) who is a positive role model and friend. We create one-to-one Mentor and Mentee Matches, who spend time getting to know one another, while in a group setting supported by a Mentoring Coordinator. The Teen Mentor and Mentee build a bond and friendship by engaging in activities such as board games, sports, or just hanging out. Some objectives of the program are to enhance self-esteem, confidence and connection to the school and community.

## Kindergarten registration for children born in 2021 begins on November 1

All kindergarten applicants are required to complete an online application for their English catchment elementary school. This includes families who wish to apply for **District Choice programs** (Early French Immersion, Montessori, Indigenous Focus School, Early Mandarin Bilingual, Nootka Fine Arts) and/ or make a cross boundary application to attend a non-catchment school.

The priority registration period for kindergarten opens on **November 1 and closes on January 31**. Students who submit an online application within this priority period will be accommodated before late applicants.

Applying for kindergarten is a **2-step process**:

### **Step 1:** Online Application (ApplyNow)

- Completion of an online application (<https://applynow.vsb.bc.ca/>) for the school year **2026-27**

### **Step 2:** Verification of documentation

- After applying, you will receive instructions on how to schedule your in-person appointment. Bring supporting documentation during your scheduled appointment for verification.

### **Supporting Documents Needed:**

- Proof of residence in Vancouver,

- Child's birth certificate,
- Immigration documentation (if applicable)
- Immunization records
- Court orders/documents (if applicable)

If you want to apply for a District Choice Program or cross boundary, you must **first apply to your English catchment elementary school**. District Choice Programs and Cross Boundary applications will begin to be accepted in early 2026. For more information, go to: [govsb.ca/kchoice](https://govsb.ca/kchoice)<sup>8</sup> and [govsb.ca/crossboundary](https://govsb.ca/crossboundary)<sup>9</sup>

**Note:** Please email Liz in the Office if your child has a younger sibling entering Kindergarten in September 2026. Siblings have priority and we wish to ensure that all siblings are accounted for at the closing of the Choice program application deadline.

<sup>8</sup><https://www.vsb.bc.ca/page/5196/kindergarten-choice-programs>

<sup>9</sup><https://www.vsb.bc.ca/page/5198/cross-boundary-application>

We're excited to invite you to our **Winter Concert!**

**Date:** Tuesday, December 16

**Time:** Evening (exact time to be announced - approx. 6 to 8 pm)

**Location:** Lord Byng Auditorium

Mark your calendars and join us for an evening of music and holiday cheer!

## Rainy weather

Please ensure your child comes to school dressed appropriately for cold and wet conditions. We recommend waterproof jackets, rain boots, and, as the temperatures drop, hats and mittens. Umbrellas are also welcome—just be sure to review safe and respectful umbrella use with your child.

We also strongly suggest keeping a spare set of clothes at school, including an extra pair of socks. This is especially important for younger students, as slips and falls are more common during wet weather, and having dry clothes on hand helps ensure comfort for the rest of the day.

Thank you for helping your child be prepared for a successful day at school—rain or shine!

## Active First Friday a sustainable success!

Our second Active First Friday of the school year last week was absolutely buzzing with energy! A big round of applause to all the students who walked, biked, scooted, or took the bus and brought their own mugs to help make our **Active Friday × Sustainability** a success. Your efforts to stay active and reduce waste showed how small actions can make a big difference. We are also deeply grateful to our parent volunteers who kept the cocoa flowing, played great music, and made the morning flow so smoothly. Your energy and teamwork turned a chilly November start into a warm community celebration. Stay tuned for more exciting updates soon, and mark your calendar for the next Active Friday × Sustainability coming up before you know it Fri Dec 5 (8:45-9:00 am).

## JQ Awarded a CoV Grant

This will allow us to build on our bus programs—walk, bike, or transit — and other travel initiatives, helping more students and families choose active and sustainable ways to get to school. Schools can link their projects to existing events or create new initiatives that promote active travel.

We always welcome your ideas and volunteers to help build these initiatives together. Please reach out to us!
