Hello Tyee Families,

On February 28th, Tyee students and staff observed Pink Shirt Day. Through discussions and activities, we celebrated diversity and promoted inclusion. This day served as a reminder of the significance of treating one another with respect and embracing differences. Our commitment extends beyond this single day; it is a daily endeavor to foster an environment of acceptance and understanding. Today, the diversity within our community shines brighter than ever as individuals proudly express their cultures, identities, and true selves. It is important that we continue to lift one another up, fostering greater acceptance, respect, and inclusion for all. Let's continue this work in building a connected and inclusive community.

We are still in cold and flu season! As we prioritize the health and safety of our school community, please keep sick children home and refrain from sending them to school until they are symptom-free. By doing so, we not only safeguard their well-being but also protect others within our school environment. Thank you for your cooperation in maintaining a healthy learning environment for all.

Enjoy your weekend!
 Mrs. Monrad
