## WELCOME TO THE NEW SCHOOL YEAR

### Message from Chair-person

A warm welcome to our new UHill families and those returning ! UHill PAC is a volunteer organization of parents who are all committed to build a school community that provides our children a rewarding learning experience.

I encourage you to not only join our organization at meetings, but to get involved in various school activities as well. Everything we do is based on volunteers and we need more hands that can help make a difference in the lives of our children. As you see several executive roles are still vacant and please do not hesitate to ask if you would like to know more about these positions or how PAC works. I believe only working together we can possibly achieve our ultimate goal – building a rewarding learning environment for our kids.

Let's together begin another wonderful and fulfilling school year for our students and families! I am looking forward to working with all of you and encourage your active involvement in our community.
