Principal's Message

Dear Students and Families,

March is a shorter school month having fewer days in session with the two-week Spring Break starting on March 15. We would like to wish our Junior and Senior Band well as they will be performing at the Magee Music Night on Wednesday evening March 12th. We are also grateful to our Student Council for organizing our upcoming school dance on Wednesday, March 12th at 7pm; info about ticket sales is posted on the all-student team.

On Thursday March 13th, Semester 2 Informal Learning Updates (Interim Reports) will be published for students and families. Thank you for taking the time to ensure that you can log on to the [MyEd BC student and family portal](#) so that you are able to access these Informal Reports. If you need help accessing MyEd BC, please click [here](#) for instructions or contact our school office. Informal Learning Updates are an opportunity for an early check-in as to how learning is going for our students. When reviewing as a family, here is a reminder of helpful questions to get conversations started:

- What are you learning and why is it important?
- How is it going with your learning?
- What are your next steps?

Please know that if students and families have any questions about how learning is going, you are always welcome to connect with teachers and counsellors.

In this newsletter, you will find information about Communicating Student Learning, Counselling, Athletics, PAC and Graduation. Thank you for taking the time to go through this newsletter and for connecting with your students about their learning. With Spring Break just around the corner, we wish all our students, families and staff a restful, relaxing and rejuvenating upcoming holiday.

With Appreciation,

Alec MacInnes

Mission Statement and Goal Summary

We are on a mission to inspire an ethical and caring community of evolving global citizens who live meaningfully, creatively, and mindfully.

University Hill Secondary, a multicultural school community, is committed to the pursuit of excellence through the provision of teaching and learning environments based on co-operation and social responsibility. University Hill staff, students, and parents/guardians are guided in their efforts to fulfil the school mission by the following goals and principles:

- Well-qualified and dedicated staff is crucial to the efficient delivery of outstanding educational programs.
- Quality learning is fostered in safe, respectful, encouraging, and creative settings.
- The school curriculum, programs, and activities are student centred for active learning.
- Teachers, parents/guardians, and students co-operate in important ways to ensure effective communication in the process of achieving academic and social goals.
- Recognition is given for the achievements of students and staff, and positive reinforcement for self-reliant and co-operative behaviour.
- The school community and culture are characterized by concern for equity, fairness, school spirit, environmental awareness, and global issues.

Communication Student Learning

The purpose of assessment is to move learning forward in an equitable and inclusive way. It helps us answer the following questions:

- Where am I now?
- Where am I going?
- How do I get there?

Each reporting period is an opportunity to celebrate learning and offer feedback for future learning. These reports will be available from the MyEducation Family Portal for four weeks. In addition to written reports, communication about student progress takes place by telephone and parent teacher interviews. Parents/Guardians are encouraged to contact individual subject teachers or counsellors for information on student progress.

Yearbook Collection Notice for Yearbooks

Each school year, staff and students collaborate to develop a yearbook, a copy of which is available for purchase by each student and staff member in June. The creation of the yearbook not only provides students with a keepsake of their school experiences but also provides an opportunity to recognize and showcase student work and achievements.

It is the Vancouver School Board's practice to include a photo of each student in the yearbook, together with their name and grade. Other photos from school events, activities, and sports teams, in addition to student work, are also collected and featured in the final version of the yearbook. This personal information that is collected and distributed to collect the yearbook is done under the authority of section 26(c) of the Freedom of Information and Protection of Privacy Act.

Should you have any questions about the collection and use of your or your child's personal information for these purposes, please email uhillswitchboard@vsb.bc.ca. Please also note that participation in the yearbook program is voluntary. **If you have already indicated that you do not consent to your child's images being used in the yearbook, your response has been noted and you do not need to reach out again.** If, however, you did not complete the previous consent form and wish to be excluded from the yearbook please email uhillswitchboard@vsb.bc.ca no later than **Wednesday, March 12, 2025.**

School Office Reminders

Medical Alerts

If your child has important health alerts, please update the school office with written documentation.

Daily Absences

Parents/guardians are to report all absences by email at uhillswitchboard@vsb.bc.ca. Emails should be sent using a parent/guardian email address and should provide the **student's first and last name, student number, grade, date(s) of absence, time of absence or periods of missed classes, and reason for the absence**. For extended absences parents/guardians must email the student's counsellor. A student should also email their teachers directly. It is the student's responsibility to make up any work that is missed, regardless of the reason for the absence. Exceptions to this may be granted due to unforeseen circumstances. If a student becomes ill while at school, or has an appointment during school time, students must sign out at the office. Students will only be released with parent/guardian permission. Students who are ill should not come to school, and if they attend school and are deemed to be unwell, parents/guardians will be contacted to pick up their child.

MyEducationBC Accounts

A reminder that MyEducationBC (MyEd) is the student information system for the Vancouver School Board. A Student/Family Portal Account has been created by the district for all students at University Hill Secondary School. This account is a shared account where students and parents can access student schedules, daily/class attendance, course grades and learning updates. It is imperative that you share the account information (password) as a family (with your child). Your login for this account is your child's student number. Please use the website to login: [MyEducationBC Account](#) and the instructions for set up of account: [MyEd Student Family Portal](#). Click on the link to UHILL's [Technology Guide](#) if you require assistance. Please **do not** use the BC Services Card option. **Note: Grade 8 to 11 students will also need to access their MyEducationBC account to enter their 2025 - 2026 course selections that will be due on Thursday, February 13, 2025.**
