Dear Parents and Guardians of our incoming grade 8 students (Grads of 2029),

For those you who are considering transitioning *out* of French immersion, you will need to be placed in an appropriate Core French course. To that end, we will be able to assess your level of French on **Friday May 10th** at Vancouver Technical, in Room 607 from 2:15 pm to 3:00 pm, immediately following the grade 7 mixer hosted at Van Tech.

The assessment is formative in nature and will not impact your standing in grade 7 or your grades in grade 8. You do not need to study for this assessment. It will take approximately 45 minutes.

Should you have any questions please do not hesitate to contact Trevor O'Rourke at torourke@vsb.bc.ca

Regards,

Trevor O'Rourke
