

Dear Parents and Caregivers of our incoming Grade 8 students (Class of 2030):

If you are considering transitioning your child out of French Immersion, they will need to be placed in an appropriate Core French course. To facilitate this, we will assess your child's French proficiency on Wednesday, May 21, following the Grade 7 Mixer at Van Tech. A staff member will escort your child to room 607 for the assessment after the Mixer.

This assessment is formative and will not affect your child's current Grade 7 standing or their grades in Grade 8. There is no need to study for this assessment, which will take approximately 45 minutes.

If you have any questions, please contact Mr. Trevor O'Rourke at torourke@vsb.bc.ca

Regards,

Trevor O'Rourke
Modern Languages Department Head
