Important Things to Note

- Courses are taught entirely in French. The expectation is that your child communicate at all times in French (including, emails to the teacher and with their friends during work periods)
- Learning supports are encouraged, however translation services or people are considered cheating
- The transition from grade 7 to grade 8 French immersion is significant, therefore it is advisable to stay in communication with your child's teachers to ensure that this is the best learning environment for your child

French Skills Block

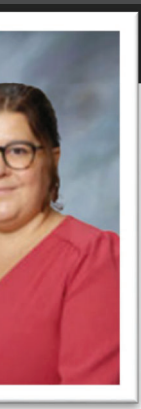

French Immersion Skills 8 / Centre D'Orthopedagogie
