Community Connections hosts district wide youth training at select high schools on some Professional Development Days.

- Including *first aid, financial literacy, food safe* and *CANucks autism network training*.
- Students are invited to sign up for a select number of spots through their PE classes.
- All training is free of charge and spots are limited.
- **Students must sign themselves up** and commit to attending the full training session.
- All Van Tech students are given access to these training opportunities and are invited to check in with the community connections team throughout the year to learn about all opportunities.

The upcoming Feb 14th is **full**
