## Communicating Student Learning

The purpose of assessment is to move learning forward in an equitable and inclusive way. It helps us answer the following questions:

- Where am I going?
- How do I get there?

Each reporting period is an opportunity to celebrate learning and offer feedback for future learning. These reports will be available from the [MyEducation Family Portal](#) for **four weeks**. In addition to written reports, communication about student progress takes place by telephone and parent teacher interviews. ## UHill Music – 2026 Festival of Spring Concert

We would like to invite you to the UHill Secondary Festival of Spring Concert for 2026. The performances you will hear represent hours of dedication, commitment, and our love of music. We would like to say THANK YOU to all UHill's students and parents who recognize the importance of music in our schools and in our lives. Being part of a performing ensemble takes music education to a higher level by developing a strong sense of community, leadership, and organization as well as Independence, self-motivation, discipline, confidence, cooperation, and critical thinking.

When we create music together, it makes us realize that we all share something in common. Realizing our common connections, through music and the inspiration it brings us, allows us to support each other so that when we face challenges, we can reach more deeply into our connections and try harder to support those around us. Please enjoy:

Becoming a Billet host in the MLS Academy program is a unique and rewarding experience, sharing day-to-day life with a young player developing towards their professional soccer career in the Whitecaps FC MLS Academy and continuing his education at University Hill Secondary School.

Each family will be given two 2026 MLS regular season tickets, as well as financial compensation to cover food and utility costs. As a family, you will provide a safe and comfortable living environment and physical nourishment, which includes three nutritious, prepared meals per day, seven days a week.

A typical MLS Academy season will begin in mid-August for pre-season preparation, with players travelling home for Christmas and Spring Break, finally culminating in June following the MLS NEXT Cup tournament. The first competitive games of the season will take place around Labour Day, with players travelling Friday to Saturday, on average twice per month from September to June.
