## Principal's Message

Dear Students & Families,

Happy New Year, and welcome to 2026! We hope that you all had an enjoyable Winter Break with family and friends.

At University Hill Secondary School, 2025 ended with a variety of festive activities. It was great to see so many staff and students participate in our spirit days, our music department performed at our Winterfest, our PE students showed off their dancing skills to their peers, and we held grade assemblies which were capped off by our staff dance performance! I also would like to thank our PAC who organized a Staff Appreciation lunch before the break. It was great to see so many members of our school community pitch in to make it special for our staff who do such great work each day with our students.

As we move into January, the end of Semester One is quickly approaching, with the last day being January 23rd. This is the final sprint for our students to do what they need to do to achieve the goals they set for themselves in September. The first day of Semester Two will be Wednesday, January 28th, with Monday, January 26th and Tuesday, January 27th being Turnaround Days (no classes for students).

Our counsellors will soon be busy with course planning for the 2026-27 School Year. There are important dates and information sessions that will be shared with our students when it comes to choosing courses for next year. We ask students to listen to announcements and to check Microsoft Teams regularly for these updates and to reach out to their counsellor if they have any specific questions.

Looking forward to a great 2026!

## Mission Statement and Goal Summary

*We are on a mission to inspire an ethical and caring community of evolving global citizens who live meaningfully, creatively, and mindfully.*

University Hill Secondary, a multicultural school community, is committed to the pursuit of excellence through the provision of teaching and learning environments based on co-operation and social responsibility. University Hill staff, students, and parents/guardians are guided in their efforts to fulfil the school mission by the following goals and principles:

- Well-qualified and dedicated staff is crucial to the efficient delivery of outstanding educational programs.
- Quality learning is fostered in safe, respectful, encouraging, and creative settings.
- The school curriculum, programs, and activities are student centred for active learning.
- Teachers, parents/guardians, and students co-operate in important ways to ensure effective communication in the process of achieving academic and social goals.
- Recognition is given for the achievements of students and staff, and positive reinforcement for self-reliant and co-operative behaviour.
- The school community and culture are characterized by concern for equity, fairness, school spirit, environmental awareness, and global issues.

## Communicating Student Learning

The purpose of assessment is to move learning forward in an equitable and inclusive way. It helps us answer the following questions:

- Where am I now?
- Where am I going?
- How do I get there?

Each reporting period is an opportunity to celebrate learning and offer feedback for future learning. These reports will be available from the [MyEducation Family Portal](#) for four weeks. In addition to written reports, communication about student progress takes place by telephone and parent teacher interviews. Parents/Guardians are encouraged to contact individual subject Teachers or Counsellors for information on student progress.

### WHITECAPS FC ACADEMY

Congratulations to recent grads Jeevan Badwal and Rayan Elloumi on their call up to the Canadian National team camp this month!

#### **Give a Home to One of the Whitecaps FC Stars of Tomorrow!**

The Whitecaps FC MLS Academy program is looking for host families in the UBC surrounding areas to host players for the duration of the upcoming school year. Becoming a Billet host in the MLS Academy program is a unique and rewarding experience, sharing day-to-day life with a young player developing towards their professional soccer career in the Whitecaps FC MLS Academy and continuing his education at University Hill Secondary School.

Each family will be given two 2026 MLS regular season tickets, as well as financial compensation to cover food and utility costs. As a family, you will provide a safe and comfortable living environment and physical nourishment, which includes three nutritious, prepared meals per day, seven days a week.

A typical MLS Academy season will begin in mid-August for pre-season preparation, with players travelling home for Christmas and Spring Break, finally culminating in June following the MLS NEXT Cup tournament. The first competitive games of the season will take place around Labour Day, with players travelling Friday to Saturday, on average twice per month from September to June.

If you are interested in becoming a Billet host family for this upcoming season, please contact:
