

PERSONAL DIGITAL DEVICE (PDD) POLICY

cellphones

smart watches

MP3 players

music/ media players

headphones

earbuds

speakers

gaming devices

tablets

laptop computers

etcetera

To foster a safe and focused learning environment for students, personal digital devices (PDDs) must be turned off or placed on silent mode before entering the classroom and during instructional time. PDDs are not permitted for use during class time/ instructional time unless an educator has given permission.

Outside of instructional hours, you are permitted to use your PDDs.
