

CHEUNG FAMILY ATHLETIC SCHOLARSHIP APPLICATION

The Cheung Family Scholarship was established with the goal of rewarding athletic and well-rounded students. We are three sisters who are past graduates of David Thompson. We recognize the doors that open up when sports become a part of the schooling experience. Growing up, we did not have the opportunity to be enrolled in paid sports programs to get the early exposure advantage and were strongly reminded of the importance of academics instead. The school system was able to provide us the chance to not only learn the different sports regardless of background/income but also master the skills and technique. Ten years down the road and we appreciate the positive outcomes of being dedicated to a sport and the valuable network formed from being on a team and having good sportsmanship. We hope that the awarded student(s) will share the same passion as we have for sports and realize the all-around life-long benefits.

The chosen winner(s) for this \$500 scholarship (or two scholarships of \$250) will be a graduating DT athlete who has regularly demonstrated good sportsmanship, dedication to their sport, and has shown themselves to be a great teammate. At a minimum, the athlete(s) will have played one or more sports and has demonstrated athleticism and integrity on at least 3 DT teams. The winner must also be planning on attending a post-secondary school next year.
