Mapping Your Heritage Activity:

On Friday, students had the opportunity to share about their family's culture/ heritage.

The '[Mapping Your Heritage, Celebrating Your Culture](#)' activity sheet lead to some great conversations and allowed students to not only connect with their heritage but to also introduce more of themselves to their classmates.

The activity aligns with the Positive Personal & Cultural Identity Core Competency. Students will be able to upload this activity sheet to their SpacesEDU account next Tuesday during FIT for their 2nd Core Competency Self-Reflection. After that, each student will receive one pin to place on a large world map creating a visual display of the diversity of our school community.
