### EVENT, ACTIVITIES AND INFO

#### Course Selection for 2025-2026:

All students in Grades 8-11 have had a course planning presentation with their counsellors. Approximately 75% of students have entered their course requests into their MyEdBC account thus far. Deadline for entering course requests is Wednesday, February 12, 2025. Parents/guardians can see their child's course selections by accessing their child's MyEdBC account.

#### FIT:

As we begin the new semester, this is a reminder that students need to be using the MyWeeklyPlanner website to select their FIT sessions for the week. If a student has forgotten their password, they can see any administrator or receptionist in the office to have it reset. Parents/guardians can check in with their students weekly to see how they are utilizing their FIT time. Students can access [My Weekly Planner here](#).

#### Denominators:

Every Monday and Thursday afternoon FIT, there is math tutoring available in room 222A. Students should sign-up in the MyWeeklyPlanner app under the teacher's name: Mr. Van Luven.

### Upcoming Events:

- Feb 17 Family Day (No School)
- Feb 20 Gr. 8 Hot Dog Day
- Feb 26 Pink Shirt Day
- Mar 17-28 Spring Break

### Black History Month:

In February, Black History Month is celebrated. At DT, we are highlighting and celebrating the history, accomplishments, contributions, and culture of Black Canadians. Every day on the announcements we are featuring 5 Black Canadians by sharing their accomplishments and also creating a visual display in our foyer for students to learn more.

### Snow Closures:

During severe weather events, all schools will remain open, if possible. If a District-wide closure is necessary, that will be decided and publicized by 6:30am.

Details about District-wide school closures will be announced through the media, the [District website](#), and the [school website](#), as well as the District's social media channels.
