### EVENTS, ACTIVITIES AND INFORMATION

#### Grad Required Courses

If a student did not pass a Graduation Requirement Course (Grade 10-12) in Semester 1, they need to see their counsellor immediately. A plan will need to be made to either repeat the course in Semester 2, or through VLN or in summer school.

#### Course Change Days

Course Change Days were held on Tuesday, February 6<sup>th</sup> for grades 12 and 11 and on Thursday, February 8<sup>th</sup> for grades 10 and 9. As a general rule, priority for course changes goes to the higher grade. For example, if one spot remains in a Calculus 12 class and both a grade 12 and a grade 11 student want the course, it would go to the grade 12 student (as the grade 11 student still has an additional year of high school remaining to take the course).

We hope all students are settled into their classes and that there should be no further disruptions to their classes.

### DATES TO REMEMBER:

- |        |                            |
|--------|----------------------------|
| 16-Feb | District Pro-D (No School) |
| 19-Feb | Family Day (No School)     |
| 21-Feb | PAC meeting (online)       |

### Scholarships

Grade 12 students should regularly check the Grade 12 Teams channel for information regarding scholarships. There are two sub-channels set up that may be of interest to students:

- Scholarship Channel
- Post Secondary Information Channel

As well, don't forget that [EducationPlannerBC](#) is a wonderful resource for post-secondary planning.

### Flexible Instructional Time

With Semester 2 underway, students should be utilizing their FIT time to work on their assignments or to seek help from their subject teachers. Students need to sign up for their FIT block using the [MyWeeklyPlanner](#) website.
