EVENTS, ACTIVITIES AND INFO

Course Planning:

Course planning for the 2025-2026 school year begins the week of January 20th. Our [course catalogue](#) is now available on our website for students and families to peruse. Course planning help can also be found on our [DT Counselling Department website](#). Please take some time to thoughtfully plan out your course selection for the 2025-2026 school year.

Exploitation Education Institute Assemblies:

The Exploitation Education Institute has partnered with the Vancouver School Board to offer the “Cyber Safe from Exploitation” presentation to our DT students. This presentation uncovers the root causes of online sexual exploitation, focusing on how the internet dynamics create vulnerabilities. Students will learn about the three types of online exploiters, their grooming tactics, and how to identify predators by behaviour rather than stereotype. This session empowers students to recognize red flags and make informed choices to stay safe in the digital world. All grades will be participating.

Graduation Assessment Make-Up Week:

For any grade 11 or 12 student who has not yet written their Numeracy 10, Literacy 10 or Literacy 12 assessment, you have been enrolled to write during the week of January 20-24. Please check your Grade Team or with your counsellor for your assessment day/time. *This is a graduation requirement.*
