### EVENT, ACTIVITIES AND INFO

#### Lapu Lapu Festival Incident:

The tragic events at the Lapu Lapu Festival last weekend have deeply impacted the Filipino community and many others in Vancouver and across British Columbia. Within our school, many students have struggled to understand how such a senseless act of violence could occur.

Our DT staff connected with our students earlier in the week, reassuring them that all their emotions-whether anger, sadness, confusion, or others- are valid. Staff emphasized the importance of discussing the events respectfully and avoiding the spread of misinformation or unnecessary details. To support our students, the counselling team established a Gathering Place where students can sit with their peers and counsellors at any time throughout the school day. In our foyer, we placed white poster paper with a Filipino flag in the middle of it and provided markers for students to add their words of support. The messages on their today are a testament to the warmth and care of DT students as we work together to strengthen all our communities.
