EVENTS, ACTIVITIES AND INFO

CARES Assemblies:

In light of the firework incident that happened on Halloween, we have been conducting CARES assemblies with all our grades to review our Code of Conduct and to come together as a community. These assemblies are important to raise awareness and address concerns with regards to the incident. It also gives us the opportunity to reinforce school values (CARES) while allowing students to process their feelings in a collective and structured way.

Immunization Clinic:

On Wednesday, November 13th, a Vancouver Coastal Health Immunization Clinic will be on site to conduct immunizations for students in grade 9 (and any other students with ongoing consent). Students interested in receiving an immunization need to return their signed Consent Forms to the school office.

Cellphone Policy:

DT staff are continuing to follow the new cellphone regulations. We appreciate the continued support at home.
