EVENTS, ACTIVITIES AND INFORMATION

PSI Day:

November 9th is Post-Secondary Institution Day for all grade 11 and 12 students. Students in grades 11 and 12 will be excused from their afternoon classes in order to attend two information sessions from different post-secondary institutions. After these two sessions, a Post-Secondary Fair will be held in the cafeteria. Students will need to register for these sessions. The link to register will be available in the Grade 11 and 12 Teams channels on Nov. 6th.

Self-Reflection of the Core Competencies:

On Monday, November 6th, all students will be completing their first self-reflection on the core competencies. Students will remain with their Period 1 teacher for FIT to complete this activity. Students should have a rough copy prepared before they upload their actual responses on Monday.

Remembrance Day Ceremonies

On Friday, November 10th, we will be holding our Remembrance Day ceremonies. Students and families are reminded that assemblies of this kind can garner many uncomfortable emotions, and that these emotions are normal depending on each student/family's personal experiences. If students are feeling emotionally overwhelmed and unable to remain in the auditorium for the duration of the assembly they may go to the counselling suite to speak to someone.

Immunization Forms

Consent forms will be distributed next week for Dec. 7th immunizations (grade 9s). Please complete and return to the office if you would like your child to receive the recommended immunizations.
