The DT Week at a Glance is intended to provide a snapshot of the upcoming school week. Both new and old information is included in this lower section for your reference.

FIT Time:

FIT time is instructional time and, as such, *students need to be in a learning space* under the supervision of a DT staff member. Students can seek help with their coursework, collaborate on projects with their peers, etc.

FIT has been extended to four times a week (40 minutes each session) across the District.

All students will use dt.myweeklyplanner.net to select their FIT sessions before attending the class. They can select their FIT destinations one week in advance. Teachers take attendance during FIT.
