EVENT, ACTIVITIES AND INFO

“Raising AI Ready Youth” Presentation:

The [White Hatter](#) will be hosting a free online family workshop titled “Raising AI Ready Youth: Safety, Privacy, Ethics, and Success Plans” on Tuesday, October 7th from 6pm – 7:30pm. This session is designed for parents and caregivers. It’s a great opportunity to deepen our shared understanding of how AI is impacting youth, and how we can support safe, ethical, and informed use both at home and in the classroom.

Registration is required to receive the session link and password.

Workshop Details & Registration

The next digital literacy family learning session will take place on November 4th and the topic will be “*Social Media Awareness, Digital Citizenship, and Cyber-Bullying.*”

To follow this theme, David Thompson will also be providing a link for our family community to watch “*Screenagers: Growing Up in a Digital Age*” on November 10th at 7pm. On November 13th, all classes will have an opportunity to view the film during school hours followed by discussion and reflection activities.

Upcoming Events:

Mon, Oct 13	Thanksgiving Day (no school)
Thur, Oct 16	PAC Meeting @ 5:30PM
Thur, Oct 16	"The Great Shakeout" Earthquake Drill
Fri, Oct 24	Pro D (No School)
Tues, Oct 28	Career Programs Assembly @FIT

Cellphone Policy:

Please take a moment to review the school’s [cellphone policy](#) with your child. In general, digital devices should be turned off during instructional time unless a teacher has specifically permitted their use for educational purposes. The parent workshops mentioned earlier highlight the complex relationship we have with our phones. They can be incredibly helpful, but they can also be distracting or even harmful. As adults, it’s important that we support our students in managing their device usage and guide them in using technology responsibly and appropriately.

Education Planner Presentation:

Education Planner BC can help you learn about post-secondary education in BC, financial aid options, career paths, and where to find helpful resources as students start exploring career paths. Virtual presentation on Tuesday, October 7th from 6:30pm – 7:45pm. For more information and to register to view the presentation please click the [Education Planner BC](#) link.
