EVENTS, ACTIVITIES AND INFORMATION

FIT Time:

FIT time is instructional time and, as such, *students need to be in a learning space* under the supervision of a DT staff member. Students can seek help with their coursework, collaborate on projects with their peers, etc.

FIT has been extended to four times a week (40 minutes each session) across the District.

All students will use dt.myweeklyplanner.net to select their FIT sessions before attending the class. They can select their FIT destinations one week in advance. Teachers take attendance during FIT.

Interim Reports:

Interim reports on student progress will be published in the MyEdBC Family Portal on October 12.

Self-Reflection of the Core Competencies:

This year, all students K-12 are required to do self-reflections on the core competencies. DT students will learn about this process in October and submit their first reflection using MS Forms on Monday, November 6, 2023.
