EVENT, ACTIVITIES AND INFO

Grade Assemblies:

Next week we will be holding grade assemblies in our auditorium during FIT time. The grade assemblies are an opportunity for students to hear from their administrators, counsellors, and student council president. Topics covered will include our CARES Code of Conduct, District & School Behaviour Policies, tips to support mental and physical health, and the various fun events that will be happening throughout the school year. The message, as always, is to stay organized, get involved, and to be safe.

If parent/guardians haven't done so yet please take a few moments to complete the following important forms at [MyForms](#):

All family information will remain confidential.

FIT Freeze:

Students will be staying with the teacher/class that precedes their FIT block until September 18th. This will give teachers and students an opportunity to go over the FIT time expectations, and to practice using the online app. The app is used by students to register for a FIT classroom and allows the teachers to take attendance. This is a new app developed by the VSB that will go live after Sep. 18th.
