GENERAL \$35.00 SUPPLY FEE

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2024 – 2025 is \$35.00 per student.

This fee covers basic consumable school supplies used for students' personal use such as paper, writing tools, glue sticks, erasers, exercise books and art supplies. Supplies are provided for the full year.

SUPPLEMENTARY FEES

Student Agenda/Planner – \$8.00

Students at Weir Elementary will be using an Agenda/Planner in grades 1-7. School agendas/planners are a valuable tool for teaching children how to organize and plan for school. While students are not required to have an agenda/planner it is designed to assist students with the skills of organization and time management and is a very useful communication tool often used between teachers and families.

Performance/Activity/Program Fee – \$30.00

During the school year, and as permissible under Provincial and District Health and Safety protocols and direction, non-curricular activities may be offered to students with nominal fees. Program fees will be published at that time. We are pleased to enrich your child's learning through a wide variety of performances this year. This supplementary fee supports the school in bringing in talented and professional theatrical and musical performers that align with a particular educational theme. Parent support has made these opportunities possible, and we appreciate your continued contribution.

Online Programs – \$22.00

All classrooms at Weir will offer online programs. The specific program will depend on the age of the students in the classroom and will focus on key curricular areas of either literacy or numeracy. The programs may be used both in-class and as supplemental practice for reinforcement of skills at home. The programs **have been vetted and approved** by our district technology department and follow all data and information privacy laws.

Field Studies – To be determined throughout the school year at the classroom level

Throughout the school year, and as permissible under Provincial and District Health and Safety protocols and direction, your child's teacher may plan supplementary learning opportunities at locations outside of the school and request monies towards entrance fees, transportation or equipment rental. Your child's teacher will communicate this information to you directly.

FINANCIAL HARDSHIP

As a reminder, the Vancouver School Board will not deny a child access to the school supplies required for his or her educational program because of financial hardship. Nor will any child be excluded from activities where a fee is charged. If at any time there is a financial challenge, please contact the school Principal, Mr. Riley McMitchell. All requests will be treated confidentially.
