## Bike to School Week June 3 - 7

Get ready for an exciting week of active transportation! From June 3rd to June 7th, Jules Quesnel is celebrating Walk/Bike/Roll to School Week 🚶♂️🚲🚶♀️🛴🎁🌳. We encourage students and staff to participate by biking, walking or rolling to school. Even if it means parking a little farther away or taking the bus and taking a short stroll, every effort counts! We will be handing out stickers to all students who arrive "on wheels." Find us at the main entrance on Crown Street to have your names registered. PAC will be sponsoring a draw of prizes at the end of the week. Please remember a bike lock, if your child will leave their bike at school during the day, and helmets.

👁️ Our neighbourhood bike store **West Point Cycles** will run a clinic at JQ with a mechanic on the 6th of June at 3pm. Don't miss this opportunity to ensure your bikes are in top shape for the summer! They will provide safety checks and do quick repairs at no cost, and will bring along cables, tubes and small parts to hopefully get most bikes up and running. They will also have coupons for \$25 off service for any bikes that may need in depth repairs.

Friday June 7, the Theme Team (5 students from Division 6), is encouraging all students and staff to wear their favourite fluorescent colours to school, in support of biking and other safe active transportation ways of getting to and from school. The Theme Team will be outside the front of the school before school and during recess and lunch with fluorescent face/body paint if students or staff need help flashing their fluorescence.

**Let's make next week memorable as we promote healthy habits, reduce traffic congestion, and create a sense of community. Thank you for supporting this initiative!**

## Resolving School-Related Concerns

We understand concerns about your child or any school-related issue may arise from time to time. We are dedicated to upholding a safe, inclusive, equitable, welcoming nurturing and healthy school environment. To ensure school concerns are addressed promptly while respecting the privacy of families, and to prevent misinformation through accurate documentation, there is a formal conflict resolution process<sup>6</sup> for families to follow.

To start, families are encouraged to discuss concerns with your child's classroom teacher, as most issues can be resolved at this level through open communication. If the issue remains unresolved, you can contact their supervisor, either the Vice Principal or Principal. If necessary the Director of Instruction, who oversees the school's administrators, and then the Associate Superintendent can be involved as well. For more details about each step, please refer to the District's conflict resolution process<sup>7</sup>.

Our number one priority is ensuring a successful education journey for your child. As the school's administrative team, we are committed to supporting and addressing any concerns to foster a positive school experience.

## JQ PAC Updates

## PAC Fundraising Policy Review

The PAC Executive is proposing to revise the current JQ PAC Fundraising policy, which have been in place since 2016, to reflect changes in the fundraising landscape at JQ.

The revisions proposed by the PAC Executive aim to address this change in landscape and to move away from a prescriptive fundraising policy to a more flexible, principles-based fundraising policy that will create space for PAC and the JQ community, including the Grade 7 class, to adapt fundraising initiatives on a yearly basis within the framework of the Policy to meet the needs of the current year. These revisions are proposed based on conversations over the last several months at the PAC meetings, discussions with the outgoing Grade 7 Committee, within PAC, and with the administration.

The primary changes are to make clearer that:

- The fundraising policy does not apply to teachers or the admin; it is a PAC policy;
- Fundraising must be in accordance with VSB policies, e.g, for a specific purpose;
- PAC can fundraise for a specific campaign, e.g., if the school asks to fundraising for a new basketball court, playground, IT equipment;
- Fundraising initiatives can be pursued by multiple grades, but in all instances, fundraising must be consistent with VSB policies and coordinated through PAC to keep a central oversight function;

- The Grade 7 Committee is a subcommittee of PAC and reports to PAC, and any unused funds at the end of the year revert back to PAC for the broader student body;
- The Grade 7 Committee, if one is formed, can be formed for fundraising for a specific purpose must be identified in accordance with the Policy. This may include fundraising for a specific initiative or year end trip, if one is planned.

PAC will see approval of the revised policy at the year end AGM next week. In advance of that meeting, PAC is circulating a redline copy, which makes clear the proposed changes, and a clean copy with the proposed changes incorporated. The links are below.

### Fire & Flower's Empowerment Camps

Fire & Flower empowers self-identified girls and non-binary youth in their incredible transition or rite of passage into adolescence. Through mentorship, nature connection, and community-building, we create a space of radical acceptance for youth to know, feel, see and express how amazing they are, just as they are. Participants build confidence and pride in being themselves and moving on to their next significant stage in life. This is a LGBTQ2SIAP+ inclusive space, and a space where we honour each other's ancestry.

Throughout the week, we explore relevant topics about the female body and growing up, and integrate the learning with nature time, crafts, and fun games. A parent/caregiver is invited to join us on Friday afternoon for facilitated quality time with their child.

Groups are small with only 6-12 participants to maximize connection & intimacy. It's like a 5-day sleepover without actually sleeping over!
