## Stranger awareness and safety at school

Please remember and practice the following stranger awareness and safety procedures to help keep the school community safe.

If you are entering the building, please remember to sign in and sign out upon leaving. If your child is arriving late to school, please check your child in at the front office and leave through the front doors. As a reminder, we have staff supervision before and after school from 8:40 – 8:55 a.m. and 2:58 – 3:13 p.m.

The safety of our students and staff is our top priority. We will also continue speaking with students about stranger awareness and things they can do to be safe. We also encourage you to reinforce these safety tips with your child.

- **Stranger awareness:** Encourage your child to be aware of their surroundings and to remember that not everyone they encounter is trustworthy. Emphasize the importance of maintaining a safe distance from strangers, especially when unaccompanied by a trusted adult.
- **Safe routes:** Establish clear, designated routes to and from school and encourage them to walk together with friends and others they know. Ensure that your child knows the safest places to seek help if they ever feel uncomfortable.
- **Seek assistance:** Encourage them to have open communication with teachers, school staff or other trusted adults, especially when faced with uncomfortable situations. Remind them that seeking help is a sign of strength and maturity.
- **Information sharing:** Remind them not to disclose personal information, such as their address or contact details, to people they do not know and trust.
- **Role-play:** Engage in role-playing exercises at home to help your child understand how to respond if approached by a stranger. Practicing these scenarios can help them to react appropriately in real-life situations.

By equipping students both at school and at home with necessary knowledge and skills, we can support them to make informed decisions and help protect their safety and well-being.

## JQ Salmon Stream - walking school bus

We are excited to announce the launch of our Walking School Bus (WSB) initiative, also known as the JQ Salmon Stream! (Thank you to Barend for coming up with this great name at our PAC meeting!) This program aims to encourage active and safe transportation to school while fostering a sense of community and fun among our students and families.

---

<sup>18</sup><mailto:jqhotlunchpizza@gmail.com>

The idea for the Walking School Bus was discussed during a PAC meeting last year, with representatives from the Society for Children and Youth of BC present to address questions and concerns. For more details, you can review the meeting minutes here<sup>19</sup> and the accompanying presentation here<sup>20</sup>.

## How It Works

We aim to kickstart the JQ Salmon Stream with all participants walking together, which helps to build community spirit while promoting active and safe transportation to school. Currently, two parents **Valerie Balaski and Nafisa Fera**, both parents of Grade 4 and Grade 2 students have volunteered to lead the initial routes. Each leader will walk one morning a week starting at a designated meeting point. **Over time, we hope more parents will volunteer to expand the number of walking routes and days.**

## Current Routes

1. **Nafisa's Route:** Meeting at the bus stop at 10th and Trimble (Shell station) at 8:30 am every Thursday. This route will proceed along 11th to 15th Avenue, with opportunities to meet families along the way.
2. **Valerie's Route:** Meeting at 10th and Blenheim St. at 8:25 am every Friday. This route will proceed along 10th Ave., Alma St, 12th Ave., Wallace St. JQ along 14th Ave.

## Joining and Communication

Families interested in joining the JQ Salmon Stream can connect via this dedicated WhatsApp community:

WhatsApp community<sup>21</sup>

The group features subgroups for each route, allowing for streamlined communication and updates on meeting times and routes.

## Liability and Safety

The program follows best practices outlined in active school travel initiatives. Volunteers accompanying children are not assuming additional liability, provided they act responsibly. For more details, we encourage you to review this document, which addresses common concerns:

Key excerpt:

"By volunteering to accompany children on their walk to and from school, parents are not assuming responsibility for anything that may happen during the trip. Parents are expected to act responsibly... Unless they have acted in a negligent manner and that negligence caused the injury, they have nothing to fear."

### **Get Involved!**

We look forward to seeing our community come together to support the JQ Salmon Stream! If you are interested in joining or volunteering, please let us know. Together, we can make this a successful and enjoyable initiative for our students
