## Early Dismissal for Conferences April 30 and May 1

**All JQ students will be dismissed at 2:00 PM, Wednesday April 30 and Thursday May 1, for spring informal learning updates.**

Informal learning updates can be done as conferences (parent-teacher, student-led or 3-way) or as a portfolio review with the option of a follow-up conference. Please expect communication from your child's teacher letting you know which informal learning update option they will use, and information explaining how you can sign up for a conference with them.

The purpose of informal learning updates is to:

- Ensure students & caregivers are well-informed about student learning, including strengths & areas for growth in literacy, numeracy, and critical and creative thinking
- Strengthen reciprocal communication and connection between home and school
