2. PRINCIPAL'S MESSAGE – Mr. Tony Romano

Mr. Romano has been teaching for 25 years, in Coquitlam before moving to the VSB. Taught grades 4-8 and has been extensively involved in coaching. Excited to be at Beaconsfield; the first few weeks have been positive.

Delay with classroom assignments was due to the district needing to confirm placement for about 1000 new students across the VSB. Our enrollment is 230 students in 10 divisions this year. School also hosts the Exsel Program - a one year district program for students who may need additional social/emotional support and Home Learners Program - short-term program for kids that need home learning.

Fall athletics:

Terry Fox Run is coming up in a few weeks, Mr. Thomas is coordinating. Cross-country club will also be upcoming, watch for more information. Soccer is getting going for the grades 6/7.

There are new reporting guidelines this year - students will receive three report cards this (December, March, June).

No school counselor assigned yet and hoping we will have someone soon.

Parent question re: classroom resources. EAs - Education Assistants - support students with special needs or learning challenges. There are 6 assigned in our school and will be assigned in classes where there are students with designated learning needs.

3. BUDGET REPORT - Rose Ngo

PAC belongs to the provincial PAC association - dues have been paid. Gaming grant submitted and usually arrives in early October

Last year we had about \$30,000 in our accounts. \$20K was invested into GICs with 12/18 month terms). Our current account balance is about \$6400 and we will receive a gaming grant in October (will likely be around \$4000).

Potential expenses this year: Saleema Noon - sexual health education (last offered in February 2022). Hip hop holiday performance (was approved & deposit paid last year). *Need to check dates. Intermediate camp bus (\$1500+). Grade 7 Medals (3-year supply - \$800-900?)
