## VSB #39 Program

The Sparts program was introduced at Magee in 1985 to offer a part-time educational program to secondary school students participating in Athletics at high provincial, national, or international levels, and to students performing in an area of the Arts at an extremely high level of excellence. Since then, the Magee Sparts program has seen several athletes and artists go on to have successful careers in their chosen disciplines. SPARTS allows students to balance school and their extra-curricular activities.

Recent SPARTS Squash Grads: Jacob Lin (Harvard) + Maria Min (Virginia U)
