A message from the Literacy and Applied Literacy students:

We have a problem between Palestine and Israel. In the Gaza Strip, there are so many children dying. The children do not have homes, food, or hospitals. There is no medicine and no safe place to go. We cannot help them with all of these problems by ourselves, but there is a group working in Gaza that can help called Doctors Without Borders. This group can give so many things to help them. They can give people shelter, water, food, medicine, and much-needed healthcare services. We are students from the Tupper Literacy and Applied Literacy Programs. We are looking for donations from the Tupper community. We can make a difference. We can change our feelings of hopelessness to those of hope. We are collecting cash or online donations to help Doctors Without Borders with their goal of helping people during times of war.
