NEWSLETTER NO. 1

SEPTEMBER 2026

Principal's Message

With deep gratitude and respect, we are honoured to be learning and unlearning on the ancestral and unceded lands of the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh Úxwumixw (Squamish Nation) & səliłwətał (Tsleil-Waututh Nation).

On behalf of the **SCHOOL STAFF**, I am pleased to welcome you to the 2026–2027 school year! We hope this message finds your family well. A warm welcome to our new families, we are excited to have you join our community. To our returning families, we are equally delighted to have you back with us.

We are committed to providing meaningful educational experiences while fostering a strong sense of belonging and independence for every student. Our teachers have been preparing their classrooms and designing engaging learning opportunities to support your child's growth. We look forward to a year filled with learning, connection, and lasting memories.

There will be more information coming from the school as teachers and students settle in during the first week of school. For now, we would like to draw your attention to the following important items:

School begins on Tuesday, September 8th from 9:00 to 10:00 am for grades 1 to 7. All returning students: please line up outside in last year's division

- All **new students**, please meet at the front of the school steps at 9:00 am

Kindergarten Students and Parents (9:00 am or 2:00 pm)

Kindergarten families are invited to attend an introductory meeting with their child at either **9:00 a.m.** or **2:00 p.m.** on September 8th. Please choose the time that works best for your family. Upon arrival, please proceed to **Room 005**, which will be your child's classroom for the school year. The entrance is located between the gym and the main school staircase on Penticton Street. Parents and guardians will remain with their child for the duration of the visit. The purpose of this time is to verify your enrolment and sign up for a "family conversation" time. Family Conversations will be held from 1:00pm-3:00pm September 9th – 11th and from 1:45pm-3:00pm on September 14th. You will sign up for a 15-minute time slot for one of those dates during which you can share information about your child.

Allergies and Nut Aware School

If your child has any medical condition, please make certain that you have spoken to the school office about your child's needs.

Students will be eating lunch in our multi purpose room so mealtime can present challenges for some students with food allergies. We remain mindful of these concerns to help ensure a safe dining environment for all students.

We have students with severe life-threatening allergies. Most have an allergy to peanuts and tree nuts (cashews, pistachios, hazelnuts, etc.). The smallest amount of Nutella or peanut butter on a friend's hand could be transferred to a book, pencil, ball or skipping rope and cause any number of reactions, including hives, vomiting, or anaphylactic shock and, without immediate emergency medical assistance, loss of consciousness or worse. Therefore, protection of anaphylactic children requires the school to establish guidelines for everyone, as follows:

- classrooms and common areas free of any substances that place the student at risk of anaphylactic shock – **this means no peanuts or nuts please**
- signs around the school that indicate the facility is as a "**Nut Aware zone**" and
- **not sharing any food, forks, spoons, and food containers.**

Our staff will be discussing the above points with students, and we hope that parents will support our efforts. While this request may pose an inconvenience for parents when packing your child's snack and lunch, I wish to thank you for your understanding of these potentially life-threatening allergies. Thank you for your attention to this matter.

Student Accident Insurance

Student accident insurance information is available for families online. The VSB is offering parents access to voluntary accidental injury, unexpected medical/ dental expenses and critical illness. The two companies offering this coverage are Insuremykids and Industrial Alliance (The Family Accident Reimbursement Plan). These plans are ideal for supplementing costs not covered by provincial health insurance or existing employer extended health and dental plans. Families can find more information and register online to purchase and participate in any of these insurance plans by using the URL provided here:

MyForms – Parent/Guardian User Guide

Introduction

MyForms is a new application from the Vancouver School Board intended to replace paper-based consent and acknowledgement of risk forms typically sent home with students.

The application allows parents/guardians to confirm and revoke their approval of topics and activities related to a student's studies.

Signing In

The application is accessed using a web browser at the following URL: <https://myforms.vsb.bc.ca>.

For each student in your care, you will log in using their credentials, either a PEN number and date of birth, or, if available, the students VSB email credentials.

Note: If required, details on how to recover the required credentials are available on the login page.

Home

Once signed in, you will be presented with forms relevant to the current student. Depending on the state of the form, you will be able to sign, view or revoke consent for each form by clicking the relevant link.

The screenshot shows the 'My Forms' page in a web browser. The header includes the VSB logo, 'Vancouver School Board', 'Home', and a user greeting 'Hello Johnny Appleseed! Sign out'. Below the header, there's a 'Translate' button and a 'Select Language' dropdown. The main content area displays the user's name 'Johnny Appleseed' and school 'Vancouver School Board'. A table lists various forms with their corresponding actions. Red arrows point to specific links: 'View signed form' points to 'View my form details', 'Revoke consent' points to 'Revoke', and 'To be signed' points to 'Fill and sign my form'.

Form	Action
Adobe CC Acknowledgement of Use (for students)	View my form details Revoke
Adobe CC Consent Form (for parents/guardians)	Fill and sign my form
CASL Consent Form 2023-2024 (for parents and guardians)	Fill and sign my form

K-3 Student AUP	Fill and sign my form
VSB Media Consent 2023-2024	Fill and sign my form

Signing a form (providing consent)

Upon entering an unsigned form, you will be presented with the details of the matter requiring acknowledgment. Once read, and if you agree, you can provide consent by clicking the 'I agree' checkbox near the bottom of the form.

Upon submission, you will be brought back to the main page.

Further, MyForms will send a confirmation email to you (the parent/guardian) for review and filing.

The screenshot shows a web browser window with the URL <https://myformsdev.vsb.bc.ca/StudentHome/Submit?progra...>. The page title is "Submit My Form". It features two tabs: "Student Information" and "Form Information". The "Form Information" tab is active, showing the form title "Adobe CC Acknowledgment of Use for students". A red arrow points to the form content with the label "Form requiring review". Below the form content, there is a checkbox labeled "I agree" with the text "You must give consent by clicking the 'I agree' box." A red arrow points to this checkbox with the label "Checkbox signifying consent". Below the checkbox, there are input fields for "Parent/Guardian's name" (containing "Appointed Guardian") and "Parent/Guardian's email address" (containing "appointed@apple.com"). To the right of these fields is a "Date" field showing "2023-07-21" and a "Submit" button. A red arrow points to the "Submit" button with the label "Submit button".

You can access these school forms by following the link below:

- Go to <https://myforms.vsb.bc.ca>
- Consent or do not consent for each form

The following three forms will be sent home by the classroom teachers during the second week of September and are to be signed and returned:

- Student Critical Incident Reunification Sheet (for emergencies)
- Student Verification Form (verifying personal information is correct)
- Student Neighbourhood Class Walk Informed Consent

Payment of School Fees

The Vancouver School Board offers the service of purchasing basic school supplies in bulk at wholesale prices and passing the cost savings on to families. The School Supply Fee for 2026-2027 is \$35.00 for kindergarten students and \$43.00 (\$35 for school supplies and \$8 for agendas) for grade 1-7 students. This cost covers basic school supplies used for students' personal use such as paper, writing tools,

rulers, scissors, glue sticks, erasers, paint sets, and exercise books for the **full** school year except where excessive loss and replacement becomes unreasonable. The advantages of the Board providing student supplies are: (1) convenience (2) cost savings (3) standardization of supplies used in the classroom, and (4) availability of supplies as needed throughout the school year. As agreed with PAC, yearly charges for enhanced learning experiences are also levied. This money pays for performances and activities. **A separate notice is being sent home with further information. Please make a payment using the School Cash online app.** The Vancouver School Board will not deny a child access to anything required for his or her educational program because of financial hardship. Parents and guardians who would like to request to postpone payment for school supplies or have the payment waived for the current school year, should contact the school Principal, Mr. Romano ttromano@vsb.bc.ca to work out a plan.

Communication

Communication is so important to a successful relationship between home and school. Please feel free to speak with your child's teacher about any concerns you may have. Check your child's agenda or communication book daily. This monthly newsletter is meant to keep you informed of all school activities. The school website, will be updated regularly with relevant school information, so please check that often.

Safe Arrival Procedures / Reporting Student Absences

Student safety is of paramount importance. Ensuring student safety is a shared responsibility. **If your child will be absent or late going to school, please phone the safe arrival number as early as possible and email the classroom teacher. Parents should leave a message on the answering service by calling 604-713-5159 school code 11.**

Messages can be received before the office is open. School offices are busy places: consistently notifying the school in advance of your child's absence will significantly improve the efficiency and effectiveness of the Safe Arrival Morning Routine.

To Report Your Child's Absence – Please call **604-713-5159 school code 11** prior to 9 am on the first day of the absence

Student Sign out Procedure

When you pick up your child during the school day, please ensure that you notify the office. If you do not notify the office, they will be unaccounted for, and the school will identify your child as a 'missing' student and will commence a search of school grounds. **If the school staff do not locate the child, and are unable to reach a parent promptly, the school will call the Vancouver Police Department.** Therefore, clear communication is essential for ensuring the safety of your child. If you are picking up your child early for an appointment, please email your child's classroom teacher.

Pick up and Drop off

Families should take note that in front of the school there is a No Stopping zone. City Bylaw Section 17.1 states: You cannot stop in a No Stopping zone for any reason, or any length of time. On either side of the No Stopping area.

Code of Conduct

The school code of conduct is an essential component in having students develop and maintain positive relationships. It guides everyone in our positive interactions and helps students deal with conflicts and difficult situations. The beginning of the school year is a great opportunity to take a moment to review the Beaconsfield Code of Conduct with your child and ensure they understand the different aspects of the document. It can be found on our website: <https://www.vsb.bc.ca/lord-beaconsfield/page/11717/code-of-conduct>

PAC News

On behalf of the Parent Advisory Committee, we want to welcome all the returning and new students and parents. The first PAC meeting will be on Tuesday, September 15th at 6:30 pm in our staffroom. All parents are welcome to attend. If you would like to contact our PAC or volunteer to help with a program, please email beaconsfieldschool@gmail.com

Concern at School?

Please remember that your child's teacher is your first point of contact. If parents have any questions or concerns about classroom practices or activities, they are encouraged to contact the classroom teacher directly. Please email the teacher to schedule a private appointment to discuss the matter. Most concerns are solved at this point. After having spoken to the classroom teacher, and the issue is unresolved, an appointment with the administrator is the second step. Again, book an appointment in order to speak about matters privately. Beyond that, the VSB Conflict Resolution Process for School-Based Concerns provides more detail as to how parents can solve a concern at school. For more information, please visit - [Conflict-resolution](#)

Finally, it is imperative that parents understand clearly that if you have a concern about a child other than your own, ONLY VSB STAFF should speak to that child.

Personal Digital Device Usage/ Policy

To foster a safe and focused learning environment for students, the use of personal digital devices, that distract from learning, such as cell phones, tablets and electronic devices, are restricted during school hours and on school property. Educators and school staff will continue to model digital citizenship in the classroom and avoid the use of personal digital devices for non-instructional purposes.

Personal digital devices are restricted for the instructional day. This includes class time, recess and lunch during school hours from 9:00am to 3:00pm. Personal digital devices must be turned off or placed on silent mode and out of sight for the entire school day.

The use of personal devices is permitted under the following circumstances:

- For educational purposes, as directed by the educator in the classroom
- For health and medical purposes as outlined in an Individual Education Plan or Student Safety Plan
- To support special or diverse educational needs, such as assistive technology related to Individual Education Plans or Student Support Plans

The expectation is that students will follow the direction of the educators. Students who repeatedly do not follow the personal digital device policy may be asked to store their personal digital devices with an administrator for the remainder of the day. The Vancouver School Board is not responsible for the loss, damage, or disappearance of personal digital devices that students decide to bring to school.
