Student Accident Insurance

- We would like to share information about optional student accident insurance plans that are available for families who may wish to purchase additional coverage. These voluntary plans are provided directly by the insurance companies and are not administered or endorsed by the VSB. The plans offer coverage for accidental injury, unexpected medical expenses, and critical illness, and may help supplement costs not covered by provincial health insurance or parents existing extended health and dental benefit plans. Information, plan details, and enrollment options are available directly through the providers' websites:
- **Insuremykids:** <https://insuremykids.com/schoolresources/>
- **Industrial Alliance (Family Accident Reimbursement Plan):** <https://www.solutionsinsurance.com/>
