## 2. Ministry of Education Student Learning Survey

The Vancouver School District, along with school districts throughout the province, are once again participating in the Ministry of Education Student Learning Survey for students in grades 4,7,10,11 and 12.

At Tyee Elementary, our students in Grades 4 and 7 will be completing the survey at school starting in the coming weeks.

Parents/Guardians and all school staff can also complete the online anonymous Student Learning Survey. The survey will be open from January 5 to May 1, 2026.

Link to survey: <https://www.awinfosys.com/SurveyFull1/central/main/access.asp>

The results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The survey contains standard questions for the province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.
