Hello Tyee Families!

Spring Break is just around the corner! With two weeks away from school, families may be looking for extra activities or a little additional support. Please know that assistance is available.

Tyee can provide a referral to the Leisure Access Program (LAP), which offers City of Vancouver residents with low income free or reduced-cost access to programs and services at Park Board facilities.

We can also support families with gift cards to help with clothing, school supplies, and medical essentials.

If we can assist you with either of these supports, please visit the school office we're here to help.

**Congratulations to our intermediate basketball team on an amazing season!** Your skillful plays, great shots, teamwork, and incredible endurance made this year a true success for such a small but mighty group. The future is bright for each of you—our future athletes in the making!

Thank you for your hard work, determination, and positive spirit throughout the season. And of course, none of this would have been possible without the steady leadership and dedication of Coach Mike. We're grateful for the time, energy, and heart you invest in the team.

Well done, everyone! 🏀 ✨
