Taiko Drumming Workshops

Tuesday, Mar 10 and Wednesday, Mar 11

The PAC is kindly sponsoring Taiko Drumming Workshops. This hands-on Taiko drumming experience is a comprehensive introduction to taiko drumming. Students engage in physical warm-up exercises, martial arts stance, vocal shouts, and drum-sticking techniques. Along with rhythmic drills, verbal notation, choreography, and group song playing, students develop listening and communication skills and learn about the respect and cooperation of taiko drumming. Check out their website: <https://www.uzume.com>

Saleema Noon - Body Science Program

Thank you to the PAC for bringing this program to Renfrew again! The Saleema Noon group was here last week. Their Body Science program is fully supported by the Vancouver School Board and aligns with the B.C. Curriculum. The goal is always to provide students with age-appropriate, research-based learning that supports their well-being and safety.
