Environmental Sensitivities Guideline

We are writing to inform you about an important new health practice at our school. Some individuals in our community have environmental sensitivities, which include negative symptoms triggered by airborne chemicals and other environmental agents like scented products.

To ensure the well-being of everyone, we will implement the VSB Environmental Sensitivities Guidelines at our site effective immediately. We kindly ask that students, staff, and visitors refrain from using scented products while at school.

Your cooperation is essential in creating a healthy and safe environment for all those with environmental sensitivities.

Thank you for your understanding and support.

Digital Devices in Classes

We continue our work to align with ministry and district policies on digital device use in schools, as we know this is critical to support student engagement and learning in the classroom.

Classrooms are a digital device-free zone, and personal digital devices must be turned off or placed in silent mode and stored in backpacks/bags before entering the classroom. These devices are not permitted for use (pictures, recordings, messaging, calls, social media, games, music, etc.) during instructional time unless an educator has given permission. Staff are enforcing this policy within the context of their classrooms in a variety of ways. As necessary, teachers and administrators may contact parents directly regarding a student’s phone use and discuss strategies to support student success in this area.

Please support our work with your student(s) on this and understand that should you need contact with your child you can reach out to the main office, and we will let them know to contact you during an instructional break. School office phone #: 604-713-8189.

Forms and Fees

A friendly reminder for families to complete important school on-line forms at myforms.vsb.bc.ca. These forms are to be completed on a yearly basis. They include CASL, External Media Consent, G4-12 Student AUP, and VSB Media Consent forms.

With Semester 2 underway, please take a moment to log in to [School Cash Online](#) and remit payment for Semester 2 and any overdue Semester 1 fees. For any family requiring support, please reach out to your child’s grade counsellor and they will work with the admin team to support you with these costs.
