November News

Van Tech students have been participating in a variety of student-led and school-wide activities. October featured several Student Council events, including elections, Clubs Day, Spirit Week, and a Halloween Fashion Show. Students in the Summit, Flex-Humanities, and senior French Immersion programs participated in week-long outdoor camps, offering meaningful experiential learning opportunities. In sports, the Athletics Council organized a volleyball tournament and pep rally to celebrate our girls' and boys' teams, and the fall season is wrapping up with several teams competing in playoffs.

Looking ahead to November, the winter sports season is set to begin. Our Fine Arts department is preparing for upcoming performances, and events for caregivers will offer opportunities for family engagement. Please read on for more details about what's happening at our school.

Van Tech staff are here to support both you and your child. We provide academic guidance as well as social-emotional support to help students thrive. Our **2025-2026 Caregiver Bulletin** is designed to be a ready resource for all parents and guardians who need quick access to key people at our school and answers to common questions. Athletics

The very busy fall season is drawing to a close. Our swim team competed at the zone championships and qualified 12 swimmers to compete at the upcoming provincial championships. This included medal finishes by Megan J. - *1st place* in the 100m Freestyle, *2nd place* in the 50m Freestyle, Matthew Z. - *3rd place* in the 50m Breaststroke, 50m Butterfly, and 100m Individual Medley, and our relay teams - *2nd place* in the Mixed 4x50m Freestyle Relay, *3rd place* in the Mixed 4x50m Medley Relay.

On the cold, muddy, and wet race course in Brackendale, our cross country team braved the challenging conditions to qualify 8 runners to provincials in Nanoose Bay.

Our juvenile boys soccer team is undefeated and begins their playoff quest this week, while our senior boys just completed their season, finishing 3rd in the city. Our grade 8/9 rugby 7s team just passed the midpoint of their season, looming to finish strong.

On the hardwood, the seasons of our 7 volleyball teams continue through mid-November, highlighted by our Fall Pep Rally and Kings and Queens of the Court Tournament (attended by more than 600 students), and Senior Night, where both our boys and girls teams emerged victorious in their final matches in the friendly confines of our gym.

November is a transition month in athletics, as preparations for our winter seasons begin. Practices for curling and wrestling, which both take place off-campus, have started. Girls hockey is starting up soon as well. If students are interested in joining these teams, they can, as no experience is necessary.

Basketball and table tennis tryouts are starting, so please ensure you are checking the Athletics Channel in the Student Hub on MS Teams for more info. **#gotechgo**

Graduation Assessments

As part of the graduation requirements, students are required to write three Graduation Assessments: Numeracy 10, Literacy 10, and Literacy 12. French Immersion students who wish to obtain a *Diplôme de fin d'études secondaires en Colombie-Britannique* must also write the French Immersion Literacy Assessment.

Note that these are NOT Provincial Exams. The result a student achieves on the Assessment(s) will not impact their academic standing, **BUT students are required to write the assessment to meet Graduation Requirements.**

Families can familiarize themselves with assessment information, preassessment activities and assessment exemplars by clicking the links below.

Flexible Instructional Time (FIT)

FIT, Flexible Instructional Time, happens every day except Wednesday, for 40 minutes. During FIT students are expected to be engaged in a learning activity of their choice.

- This is school (instructional) time, and students get a choice of how to spend it doing either schoolwork or personal interest activities.
- For example, students may participate in weekly classes, collaborate with peers, see individual teachers, or pursue learning activities that may fall outside of their scheduled classes.
- Staff and support will be available for students.
- Teachers will communicate with students on how to best utilize FIT in support of their academic success throughout the school year.

Tuesday and Thursday FIT runs 1:20 - 2:00 pm. Students must sign up for Tuesday and Thursday FIT sessions using their FIT Planner account. Students are expected to be in the building in an area supervised by a staff member. We encourage students to sign up well ahead of time to ensure they get the spot they need. Notifications will be sent home for students who signed up for a session but did not attend, and for students who did not sign up for a session.

Monday and Friday FIT runs 8:40 - 9:20 am. Students do not need to sign up in advance, however, if they want to ensure a spot in a particular learning space, they can sign up with a teacher in advance using their FIT Planner account. All students in learning spaces will sign-in to the Green Book for attendance in the case of an emergency.

For instructions on how to use the FIT Planner software, visit our website <https://www.vsb.bc.ca/vancouver-technical/page/83841/fit-planner> (or go to the Families top tab and select FIT Planner from the drop-down menu.)

Reporting Information and Updates

Mid-Semester Written Learning Updates will be published to students' [MyEducation BC](#) accounts on **November 18 for Semester 1 and Linear (full year) courses.**

The purpose of assessment is to facilitate learning and move it forward in an equitable and inclusive way. It helps students answer three questions about their learning:

- Where am I now?
- Where am I going?
- How do I get there?

Quality assessment is ongoing and responsive. It informs the instruction cycle and provides **teachers** with evidence to plan. It helps **families** understand and support their children's learning. Most importantly, it provides **students** with meaningful feedback to guide their learning and help them reflect on their growth.

The Provincial Reporting Policy requires that students in Grades 8 and 9 receive marks on a four-point proficiency scale (*Emerging, Developing, Proficient, Extending*), while students in Grades 10 -12 receive a letter grade and percentage. Written Learning Updates for all students will also include self-reflection and goal setting, as well as descriptive feedback.

Van Tech students will receive **Written Learning Updates** such as interims and reports and **Informal Learning Updates** such as telephone calls, e-mails, and conferences.

If you have questions or concerns about your child's progress, please reach out to their teacher as soon as possible. Teacher contact information is on the school website: [Vancouver Technical \(vsb.bc.ca\)](https://vsb.bc.ca)

Collaborative Planning Time

The Vancouver School Board calendar includes 8 shortened school days for students while staff remain on site for the full day to participate in Collaborative Planning Time. This time provides staff an opportunity to come together to engage in activities and discussions unique to each school community that support and enhance student progress and achievement. During Collaborative Planning Time, teachers work to share, discuss, and learn from each other to enhance their teaching practices within four pillars of education: curriculum, instruction, assessment, and social/emotional learning.

Students should not be at school during this time, unless special arrangements have been made with a staff member. To ensure equitable instructional time, four sessions of Collaborative Planning Time occur in the morning and afternoon

respectively. The Provincial government sets out minimum hours of instruction for all grade levels, and the Vancouver School Board calendar, with Staff Collaborative Planning Time included, meets the Provincial Requirements.

PROCEDURES FOR SCHOOL REUNIFICATION DURING A MAJOR EMERGENCY

In case of an emergency, parents (or their designated emergency contact) will be responsible for picking up their children.

REUNIFICATION

In a major emergency, children will be kept at the school and only allowed to leave with an authorized adult from their emergency contact list.

DURING AN EMERGENCY

Children may be inside the school or outside at the designated assembly area (if the building is damaged). Students will be grouped by grades and classes.

CHECK-IN

Make sure you bring your photo ID.

Once at the school, go to the check-in table with the names of the children you are picking up.

PICK UP

You will be sent to another station where runners will go and retrieve the children and reunite them with you.

If you are an emergency contact, ensure you pick up all the children you are responsible for.

Once you are reunited with your children, please promptly leave the school grounds.

HOW CAN PARENTS PREPARE?

Have several authorized emergency contacts to pick up your child if you are not able to.

Review the reunification process and discuss with your emergency contacts.

Create a plan with your emergency contacts - pick up, meeting place, travel plan.

Submit the yellow emergency contact form to the school office and update if the information changes.

The Board of Education is committed to ensuring that no school-age student will be denied an opportunity to participate in a course, class or program because of an inability to pay fees. Parents and guardians unable to pay some or all school fees are invited to speak to their child's teacher, school counsellor, and/or the school Principal.

Reporting an absence

To report your child's absence, please contact the school by emailing techattendance@vsb.bc.ca. Students cannot report their own absence; messages may be verified. Information required:

- Date of absence
- Student number

- Student name
- Reason for absence
- Contact name and number for verification

Extended Absences

Any students who will be away for an extended period of a week or more can get an extended absences form from their counsellor.

Student Pick-up/Drop-off and Parking

- Students may NOT park in the school parking lots.

Vancouver School Board Cafeteria

Healthy eating helps children learn. There are 3 options for purchasing lunch:

- Option 1: Pay by cash, debit, or credit card.
- Option 2: Download the *VSB Lunchsmart™* App (QR codes on the poster linked [HERE](#)) and create an account, then select the App's VSB CASH CARD. This **VSB CASH CARD** feature of the App allows families to preload their account with funds and use a declining balance method to pay without the need for cash or using a credit card by simply scanning a barcode in the App.
- Option 3: Download the *VSB Lunchsmart™* App (QR codes on the poster linked [HERE](#)) and create an account. Families may then choose the **VSB SMART CARD** feature, which provides a digital card number for lunch payments. The cost is based on **\$9.25 per day**, with a prorated monthly total. Payments are submitted at the beginning of each month by envelope (cash or cheque) to the school office. Students can then use their phones to scan a barcode at lunchtime. To activate this feature. Families must complete the registration forms available in the Main Office to receive their digital card number. A limited subsidy is also available to support families who need assistance with nutrition services at school.
