EVENTS, ACTIVITIES AND INFO

School Calendars 2026-2029:

The Vancouver School Board has published the school calendars for the next three years. Please click on the [School Calendars 2026-2029](#) link for more information and to see a graphic table of each year.

Screenagers:

On Monday, March 2, all students in period 2 will be viewing the film, "Screenagers: The Next Chapter." This film investigates the relationship between screen time, social media, and rising rates of teen anxiety, depression, and stress. It focuses on actionable solutions for parents and schools to foster emotional resilience and mental wellness. At the conclusion of the film, teachers will facilitate discussion in their classes encouraging students to be reflective with their own digital device use.

Parent/Guardian Viewing:

On Thursday night, April 2, we will host a screening of the film in our school for parents and guardians to attend. Please bookmark that date if you are interested.

Interim Reports:

Interim reports will be published in MyEdBC on Friday, March 6th. Interim reports offer a snapshot of student learning progress, and highlight where a student is now in relation to the curricular competencies. They also include what supports or next steps may be needed.
