EVENTS, ACTIVITIES AND INFO

Screenagers:

On Thursday, April 2nd, we invite parents and guardians to attend a screening of "Screenagers: The Next Chapter." This film investigates the relationship between screen time, social media, and rising rates of teen anxiety, depression, and stress. It focuses on actionable solutions for parents and schools to foster emotional resilience and mental wellness. The screening will take place in the DT auditorium at 7pm. A separate invite will be coming out shortly. We would love to see you there!

PAC Direct Drive:

The DT Parent Advisory Council (PAC) is relaunching the Direct Drive, and they invite families to contribute if they are able. Your donations (of any amount) directly support DT school programs and student experiences that enrich learning across our community. Participation is completely optional, and every contribution makes a difference for our students. Thank you for your ongoing support and partnership in helping our school thrive.
