EVENTS, ACTIVITIES AND INFO

Aviation Sampler

Three DT grade 10 students spent last week in the Aviation Sampler at YVR, a VSB Career Programs experience for students exploring aviation pathways such as in-flight crew, maintenance, and ground operations. Highlights included sitting in the cockpit of a CRJ900, touring the Air Canada hangar, learning about emergency operations and flight attendant training, seeing aircraft engines up close, and meeting the developer behind YVR's Digital Twin. For more information on other Career Program opportunities, please visit: [Career Programs](#).

Grade 8 Spring TREK

Friday, May 29th is the day of our Grade 8 Spring TREK! The Spring Trek is the final event of the year in our Grade 8 Welcoming Program. Students travel to Watermania and Splitsville Bowling in Richmond for an all-day field trip. The Grade 8s are supervised by teachers, adult staff members, and our senior New Faces Leaders. Cost is only \$10, which includes chartered bus transportation. David Thompson gratefully acknowledges the support of the PAC who generously provides funds to cover some of the associated costs. Consent forms & payment are due Friday, May 22. We want to ensure that every Gr 8 student has the opportunity to participate in this fun day of socialization & connection with their peers!
