EVENTS, ACTIVITIES AND INFO

Clubs' Day

If students are interested in meeting new people, exploring their interests, and getting involved in school life, then they need to go to Clubs' Day on Monday, October 5th! Whether students are interested in leadership, sports, culture, service, arts or academics, there is a club for them. Students can go to the **gymnasium** at **lunch** on Monday, October 5th to stop by, ask questions, and sign up for a club(s) to make this year the best one yet.

Provincial Assessments

All students in BC are required to write the Literacy 10, Literacy 12, and Numeracy 10 provincial assessments as part of their graduation requirements. These assessments provide students with an opportunity to demonstrate key literacy and numeracy skills, and help schools and the Ministry of Education better understand student learning.

Our first assessment of the year will be the **Literacy 12 Assessment on November 4th**. In the weeks leading up to the assessment, grade 12 students will complete short practice activities designed to help them become familiar with the format, question types, and expectations of the assessment. Students can also access additional practice materials at the [Literacy 12 Practice Assessment site](#) to further explore sample questions and gain confidence with the structure and content of the assessment. Grade 10 students will also
