

# 10 LEARNING TIPS FOR MY CHILD

Everyone learns in different ways.

As you support your child in new ways of learning, try something different until you find what works for you and your child.

These reminders can help your child learn and grow!

I connect to what I know to help me learn something **NEW**

I use my home language to help me understand and **COMMUNICATE**

I look at pictures and words to help me **UNDERSTAND**

I keep trying when something is **HARD**

I learn from my mistakes and try **AGAIN**

I stay **FOCUSED**

I make a plan to do my **WORK**

I will check in with an adult when I need **HELP**

I take care of my **BODY**

I feel proud about what I can do and I have fun **LEARNING**
