

June 24, 2022

Dear Roberts Annex Families,

Finally, some warm (hopefully not too warm) weather! We hope that you are going to find ways to get out and enjoy the sun with family and friends this weekend. More students have been coming to school with shorts and t-shirts so just a little reminder to please make sure you apply some sunscreen in the morning and send a hat. Students are out creating and playing during both breaks and for learning – they continue to create wonderful nature art!

### **Cubby clean-out**

Classroom teachers helped students clean out the cubbies today. You should expect a few more personal items to come home. In addition, the Lost & Found will be placed outside on tables on the west side of the building after school every day next week. Please make sure you check it regularly for older and new items. Everything remaining on the last day of school will be donated to charity.

### **Soap Stone Carving**

Thank you to the PAC for your support acquiring soapstone for this whole school art project. Students have spent many hours filing and sanding their work to create beautiful keep sakes.

### **Notice of Late Return**

Roberts Annex is considered a full school therefore, we cannot hold student spots for extended periods. Just a reminder to those families who are enrolled to attend

Roberts Annex for September 2022 but who think they may not be back from holiday to attend school on September 6 to please make sure you complete and return this [NOTICE OF LATE RETURN](#) form to the office to ensure we save your child's spot.

### **Staffing**

**Ms. Evans** has announced to students and her classroom families that she will be retiring this June after 25 years with the Vancouver School Board and 22 of those years here at Roberts Annex. She shares that one of the best things is that the kids continue to believe she is 42. We wish Ms. Evans all the best on her next adventure. We are also excited to share that Ms. Ali Howarth will be taking over teaching Div. 5 full-time in the fall.

We also want to take a moment to wish **Ben Wang** the school engineer good luck in his new role at Carnavon Elementary. Ben was only with us for a short time, but he did some much-appreciated work keeping our spaces clean and safe.

Our school Counsellor **Carol Zrymiak** will also be moving on to support other schools starting in September. We are so grateful for her work with our students and know that she will be loved in her next schools too. This fall we will welcome Kate Goodwin to our teaching team as counsellor.

Have a safe weekend and enjoy each other!

Elyssa

June 28 –CSL Reports go home

June 29 – last day of classes 8:55-3:03 as usual
