

Hello MacCorkindale School Community,

We want to make sure this school year is more *fruitful* than ever, so we are very pleased to announce that this year we will be running an exciting new fall fundraiser.

We have partnered up with a distinguished Okanagan orchard to sell their delicious farm-fresh apples. This century-old farm has won all kinds of major awards for their fruit — these are the highest quality apples available anywhere. And because we're sourcing them directly from the grower, we can sell them at below grocery store prices and still get to keep a substantial amount of profit from each sale.

This is a great opportunity to earn some significant, and important, funds for our school. Each box sold will contribute either \$8 or \$10. That adds up quickly. With such a high return per unit sold, you could help us raise up to \$100 by selling just 10 boxes. (Or sell even more, we won't stop you!)

If you don't want any of these tasty apples for yourself, that's no problem. You can still help us raise funds by simply sending a link to your friends & family. Apples are far-and-away the most popular fruit in Canada, so it's highly likely that you have many apple lovers in your life. The best part is that it's all done online, so you won't have to deal with the hassles of collecting money and tracking orders. Just complete a quick and easy registration process and then share your link with your contacts. Sweet and simple! It will only take you a couple of minutes, but our kids will benefit from your caring actions.

You can find out more by clicking this link or copy & pasting it into your browser:

<https://fundraising.sunokafruit.com/s/maccorkindaleelementaryschool>

Please consider participating in this fundraiser. This is a fresh and healthy product of the highest quality, and at a great price, that you can be proud of offering to your friends & family.

The funds we raise are so important for providing additional school resources that will enrich and enhance our kids' academic, physical and social growth. Together with your support we can make a positive and lasting improvement to our children's learning environment – and that is, indeed, a *fruitful* contribution.

Thank you,  
**MacCorkindale PAC**
