

April 14, 2022

Dear Roberts Annex Families,

The weather this week has had it all. It has been warm, cold, wet and thunderous. Students were amazing getting ready to go outside but a few did not have the right outer wear for the day. It appears we are still not done with wintery weather, please make sure your child is ready for being outside for both the short and long break at school. (Despite the weather there were still potions and collections – see picture to the right)

Thank you, Parent Advisory Council!

What a wonderful Spring Social event this past Wednesday, April 13 afterschool. It was great to see families reconnecting over coffee and treats. Students also were really excited to have a school based special event that was outside the school day. Thank you to our PAC team who organized the event, gathered treats and prizes for the scavenger hunt!

PAC adds so much to the opportunities for our students - field trips, additional technology tools, special craft supplies, supplemental STEM (like High Touch, High Tech Science coming in May), Arts (like Young Actors in April) and of course community building (Spring Social, Scavenger Hunt...). **PAC is looking for more helpers to participate and continue this amazing work.** The next meeting is coming up quickly - to join in the conversation, meet the community and support where you can - watch for the email invite (or get added to the email list by sending a note to LordRobertsAnnexPac@gmail.com)

Have a safe weekend and enjoy each other,
Elyssa
