Dear Prince of Wales School Community,

As we start the new school year at Prince of Wales Secondary, it is my pleasure to welcome everyone back. Now entering my second year as principal, I am eager to continue our collaborative efforts to ensure this year is marked by continued growth and achievement for our entire community.

We began the school year with grade assemblies where students had a chance to learn and reacquaint themselves with their peers, school policies and procedures. We also welcomed Mr. Joel Nelson to our school community in the role of Vice Principal. Joel is joining PW from the Coquitlam school district. He has worked in education for over 20 years as a teacher and vice principal. Most recently as the VP of Dr. Charles Best Secondary. He brings a wealth of experience and a passion for education that will be a great asset to our school community.

We would also like to welcome the following new staff to our school:

- Ilona Davidson (Social Studies)
- Alina Ismaguilova (Mini Coordinator, Mini Sci)
- Ilse Meersman (TREK- Math/Sci)
- Deanne Nielson (TREK- Math/Sci)
- Keegan Plant (TREK-Socials)
- Amy Safarik (English/ ELL/ CLE 10)
- Michael Taverna (Physics)

We're thrilled to have them join our team and are confident they will make a meaningful impact in both our educational community.

In this newsletter, you will find important information for our school year, including important dates, student learning updates, Flexible Instruction Time (FIT), MyEdBC and Microsoft Teams accounts, daily and weekly schedules, news from our Counselling Department, news from our Parent Advisory Council, as well as school policies and procedures. We suggest that you save a copy of this newsletter for reference. We plan to send out regular monthly parent communication where we will remind families of this information.

For those families new to our school and all grade 8 families, we are hosting a **Family Information Night on Tuesday September 10, 2024 at 6:30 pm** in the auditorium with treats and coffee from PAC and the information session starting at 7:00 pm. Information shared will include school procedures and policies and at the end, specific information for Grade 8 families regarding the Grade 8 school program and Grade 8 camp.

We have enjoyed welcoming students into their first days of classes this week. We would like to extend a huge thank you to our engineering, custodial, office, counselling student support teams and teaching staff who have done a wonderful job getting our school ready for our opening week.

PERSONAL ELECTRONIC DEVICE RESTRICTIONS - UPDATED POLICY

An important change for all VSB schools is an updated Code of Conduct to limit students' use of personal electronic devices during school hours, as mandated by the Province of B.C. In secondary schools, personal digital devices **must be turned off or placed on silent mode before students enter the classroom and remain silent during instructional time**. Personal digital devices are not permitted for use during class/instructional time unless an educator has given permission.

This is not very different from our previous policy, but we ask families to please review details with your child on Page 11 of the school agenda.

GRADE 8 INFORMATION

Welcome to our new cohort of grade 8 students and families! Grade 8 students received a Grade 8 Camp Package in their homeroom on September 4th. There are 3 forms that need to be returned to the office by Friday September 13th at the latest. Grade 8 Camp is a beloved tradition at PW, and an amazing experience for students to connect with each other, with staff and with nature.

Note: The electronic waiver link is found here: <https://tinyurl.com/4b2drpjw>

We will be hosting a welcome session / grade 8 camp information session for all grade 8 parents/guardians at the New Family Information Night on **Tuesday September 10th @ 6:30 PM** in our auditorium. We encourage as many of you to join us as possible. PAC will offer coffee and treats at 6:30 pm for parents to meet and mingle and we will begin the presentation at 7:00 pm. If your child did not bring home the Grade 8 camp info package and form package, extra copies are available in the office.

GRADE 12 INFORMATION

SAVE THE DATE! Grade 12 Information Night- **Tuesday September 24th from 6:00 pm - 7:00 pm** in the auditorium. Grade 12 students and families are invited to hear information from Grade 12 counsellor, Mr. Morgan about graduation requirements, post-secondary, ask questions and MORE!

Please note: Grad Committee is planning a welcome back BBQ for grads and families before the information session from 5:00 pm-6:00 pm- STAY TUNED, more information to come.

COLLABORATIVE PLANNING TIME

This year the Vancouver School Board calendar will include eight (8) days on which the school day is shortened for students. The school day remains the same length for school staff. These periods of time, called Collaboration Planning Time, provide the opportunity for school staff to come together to engage in activities and discussions specific to their unique school community to support and enhance student progress and achievement. During Collaboration Planning Time, teachers work directly with peers within the school setting to share, discuss, and learn from each other to enhance their teaching practice within the "Four Pillars" of education:

Curriculum ♦ Instruction ♦ Assessment ♦ Social / Emotional Learning.

During Collaborative Planning Times, *students are not expected to be at school*. To ensure that instruction is equitable during all periods, some Collaborative Planning Times will be scheduled in the morning during the **AM- 8:40 AM – 10:00 AM** or the **PM- 1:45 PM – 3:05 PM**. As a reminder, the Provincial government sets out minimum hours of instruction for all grade levels. The Vancouver School Board calendar, with Staff Collaboration Planning Time included, still meets all Provincial requirements.

The Collaborative Planning Time date and bell schedule are as follows:

FLEXIBLE INSTRUCTIONAL TIME (FIT)

This is instructional time designed to support students' personalized learning. The intent is to build-in flexibility and choice within a student's schedule that allows them to determine how, when and where their learning takes place, to access extra help from teachers, collaborate with peers and pursue other learning activities. During the first FIT period on Thursday September 7th, all students received a presentation to review and explain FIT and how it works.

This year, FIT will happen four days a week, for 40 minutes:

- Monday and Wednesday, 8:40 AM - 9:20 AM.
- Tuesday and Thursday, 1:22 PM - 2:02 PM.

In the fall, teachers will communicate with students how to best utilize this time in support of their academic success. Prince of Wales Secondary, along with the VSB, is excited that this year's schedule incorporates flexibility and remains committed to continuing the work and conversations around structures that best support learning for all students.

Details:

- This is school time (instructional time) and students get a choice of how to spend it doing school work or student interest activities.
- For example, students may participate in weekly classes, collaborate with peers, see individual teachers, or pursue learning activities that may fall outside of their scheduled classes
- Staff and supports will be available for students.
- All students are expected to be in a learning space

 **Changes this year...** Through our work with staff and students via the student forum, as a school community we are looking at using FIT more intentionally. We are planning Career Education activities, workshops and student interest activities purposely scheduled during FIT. We are looking at using an online sign-up system to help organize attendance for these sessions as well as classroom sessions. More information on these will be shared with students and families later this month.

LEARNING UPDATES (STUDENT REPORTING)

The purpose of assessment is to facilitate learning and move it forward in an equitable and inclusive way. It helps students answer three questions about their learning:

- Where am I now?
- Where am I going?
- How do I get there?

Quality assessment is ongoing and responsive. It informs the instruction cycle and provides teachers with evidence to plan. It helps families understand and support their children's learning. Most importantly, it provides students with meaningful feedback to guide their learning and help them reflect on their growth.

The new Provincial Reporting Policy requires that students in Grades 8 and 9 will receive marks on a four-point proficiency scale (Emerging, Developing, Proficient, Extending), while students in Grades 10 - 12 will still receive a letter grade and percentage. Learning Updates (report cards) for all students will now also include self-reflection and goal setting, as well as descriptive feedback.

Once a month, PW students will meet with the Homeroom teachers during FIT to work on their self-assessments.

PW students will receive Written Learning Updates and Informal Learning Updates such as telephone calls, e-mails, and conferences.

If you have questions or concerns about your child's progress, please reach out to their teacher as soon as possible.

GRADUATION ASSESSMENTS

Graduation assessments are not associated with any course mark, but their completion is part of the BC Graduation Requirements.

Students in Grade 10 will be scheduled to write two Provincial Assessments to assess their proficiency in numeracy and literacy. - basic school supplies that are usually purchased by families (e.g. pens, paper)
- other education-related fees (e.g. camps and field trips)
- clothing/footwear required for school sports and other school activities.

If your family is experiencing financial hardship and would like to access the student and family affordability fund, or would like more information, please contact Ms. Kauldher (skauldher@vsb.bc.ca) in confidence.
