Students do not pay for anything else; the Mini PAC does fundraising to offset costs for in-school activities, and for students who cannot afford trip fees. The school has also contributed funds for students requiring subsidy.

There are payment options for families over the students' 5 years in Mini School so the fees are more manageable.

Students do not pay for anything else; the Mini PAC does fundraising to offset costs for in-school activities, and for students who cannot afford trip fees. The school has also contributed funds for students requiring subsidy.

There are payment options for families over the students' 5 years in Mini School so the fees are more manageable.
