
THE AFREEN AHMED MEMORIAL PRIZE

Afreen Ahmed, who passed away on January 25, 2019, was an incredible mother to a David Thompson student who graduated in 2010. She was an integral part of not only her daughter's ability to persevere to achieve a rewarding professional career despite challenging times, but also a regular fixture in the school's halls and in other students' lives. Afreen Ahmed was a schoolteacher in Pakistan and when she immigrated to Canada she became a childcare giver, raising and enriching the lives of many children for over 20 years.
