

**OTHER DISTRICT INITIATIVES – EDUCATION RELATED – ADULT  
ACADEMIC PROGRAMS**

**Background**

To permit adults to obtain the secondary school graduation requirements, the District supports a number of education programs for adults, including adult learning centres and academic night school programs.

**Procedures**

1. As the Ministry of Education does not recognize the facility needs of these programs, space for these programs can only be provided as long as these facilities are not required for regular or District programs. Funds collected for user fees and/or per capita grants may be used to cover facilities costs or leases.
