## Dr. A. R. Lord School PARENT ADVISORY COUNCIL

*Growing Minds,  
Growing Hearts*

**Dr. A. R. Lord Elementary School  
Vancouver School Board  
555 Lillooet St. Vancouver**

**604-713-4620**

Dr. A. R. Lord is a vibrant, warm and welcoming VSB elementary school offering grades K through 7 in this family friendly neighbourhood of East Vancouver. A. R. Lord is a small sized school with a huge heart that offers excellent education in an intimate learning environment through varied learning opportunities.

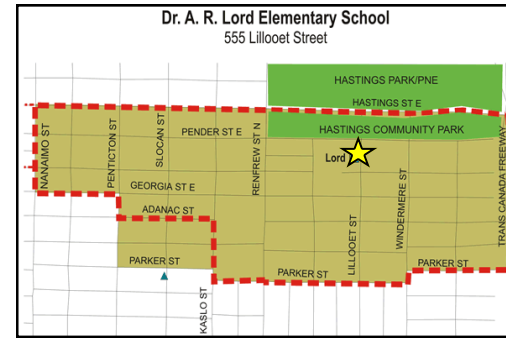

The **Dr. A. R. Lord Parent Advisory Council (PAC)** brings together the families of the students to create a caring environment that extends beyond the school classrooms. We are actively involved with various school programs and social activities, allowing families in our neighbourhood to get to know each other and be involved together in a strong community.

You will be impressed at all we have to offer: concerts, music events, art work, computer lab, a well stocked library, large outdoor play spaces, wonderful teachers, and of course the amazing results of our academic and specialized learning programs.

***"We are proud of our strong  
& diverse community of  
families, our dedicated teachers  
& amazing support staff"***

**Catchment Area for
